Part III EXAMINER'S AMENDMENT

1. An Examiner's Amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 C.F.R. § 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the Issue Fee.

Authorization for this Examiner's Amendment was given in a telephone interview with Mr. Paul W. Martin (Reg. No. 34,870) on 17 March 1997.

2. The application has been amended as follows:

IN THE CLAIMS:

~~Re~~ claim 11, line 15: Substitute "a vertical" with -- **said vertical** --.

~~Re~~ claim 17, lines 1-3: Delete "**wherein the housing has substantially horizontal and vertical apertures and**".

3. The following is an Examiner's Statement of Reasons for Allowance: Claims 1-35 are allowable over the prior art of record. The prior art of record fails to teach or fairly suggest an optical scanner comprising a housing having a substantially vertical surface containing a first aperture and a substantially horizontal surface containing a second aperture; a single laser which produces a laser beam toward a polygon spinner having mirrored facets which

1 inherently produces a plurality of scanning beams including a first group of scanning beams in
2 a substantially horizontal direction, a second group of scanning beams in a substantially
3 downward diagonal direction, and a third group of scanning beams in a substantially vertical
4 direction; and a plurality of groups of pattern mirrors for reflecting the first group of scanning
5 beams through the first aperture to produce a first scan pattern, for reflecting the second group
6 of scanning beams through the first aperture to produce a second scan pattern, and for
7 reflecting the third group of scanning beams through the second aperture to produce a third
8 scan pattern, as set forth in the claims.

9 Any comments considered necessary by applicant must be submitted no later than the
10 payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the
11 Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons
12 for Allowance."

13
14 ***Conclusion***

15 4. The prior art made of record and not relied upon is considered pertinent to applicant's
